

# **2010 Susquehanna Speedway Park Outback Track Pre-Season Letter**

March 12, 2010

Dear SSP Outback Track Competitors & Families,

**Season Opener** - The 2010 season opener of the Spring Shoot-Out Series will be on Friday, April 16, 2010 at 7:30 p.m. *Please note that the race time for all race dates should be 7:30 p.m. rather than 7:15 p.m. as stated on the enclosed schedule.* The pit gates will open 5:00 p.m. with a driver's meeting at 7:15 p.m. Open practice begins at 6:45 p.m. and racing action begins at 7:30 p.m.

**Specifications & Guidelines** - There will be no sanctioning body affiliation for either karts or quarter midgets, but the technical/specification rules will be very similar to the major sanctioning groups for these types of cars (W.K.A. and QMA). We are in the process of hiring a full-time technical inspector to a closer look at the karts and quarter midgets. Please remember, we did not see any one competitor dominating last season. Our goal is to provide a fun and enjoyable environment, yet we will be vigilant in also making sure nobody gains a distinct advantage over any other driver by cheating. We will be enforcing the weight rules stringently as well as a few other rules that will be announced in the near future (we do not want any surprises for competitors, but those who are breaking the rules for an advantage already know what they are doing and will be dealt with accordingly). The Adult Speedcar specifications & guidelines will also be available very soon.

## **Guidelines for Parents to Remember to Enjoy Racing at SSP Outback Track:**

1. I shall teach my child to race "clean".
2. I shall encourage my child to have fun racing.
3. I shall set an example of sportsmanship for my child to follow.
4. I shall not be critical unless willing to put out the necessary effort to correct my criticism.
5. I shall not criticize any race track official unless I am ready to assume his/her duties.
6. I shall remember this is not a professional sport, at our level, but is to be enjoyed by every driver, family and crewmember.

**Pre-Season Open Practice On Saturday, April 3** - SSP will begin its pre-season with a Saturday open practice sessions (4/3/10: 12:00 p.m. to 300 p.m.) and 1 Wednesday open practice sessions (4/7) for any type of racecar. On Wednesday nights, the gates will open at 5:30 p.m. with practice sessions rotating for each class from 6:30 p.m. to 9:00 p.m. There will be a \$20.00 per driver charge. **Track Rental for the "Outback Track"** - The "Outback track" is available for rent beginning March 1, 2010. The rental price for the "Outback Track" is \$400.00 for 4 hours during the day /\$500.00 at night and may be split between a maximum of five-(5) drivers/teams. To reserve either track, please call 717-292-1696.

**Mid Summer Vacation Break** - From Sunday, July 4 to Thursday, July 15, there will be no racing scheduled at SSP. This is a time for all SSP competitors to take time off and regroup for the second half of the season.

**Admission for Race Events** - New this season, the class entry fee will include the pit pass for each driver. The entry fee price is \$20.00 for drivers with an annual license and \$25.00 for non-licensed drivers. Additional classes are \$20.00. This should be cheaper for most drivers and will speed up the sign in process for everyone. There will be two separate sign-in windows, one for drivers and one for non-drivers.

**Repeat Fan Discount in 2010 for the Big Track** - Once again, there will be a \$2.00 discount for each person's admission to the grandstands on Saturday night's Big Track race events with a pit pass from the prior night's Outback Track race event only. *The Repeat Fan Discount is not valid for pit pass purchases.*

**SSP Pit Competitor Licenses** - Enclosed you will find a 2010 pit license application. There are MANY advantages for all competitors with an annual license. A driver with an annual pit competitor license will receive the "license discount" for class entry fees during the points-earning season (\$5.00 off) and will be eligible to earn awards associated towards the Spring and Summer Shoot-Out championships. **If a driver decides to only purchase a non-license class entry for each event, then they will have to pay the full class entry fee and they will not be eligible for any awards in the Championship Series' (Spring & Summer). All drivers will be eligible for awards earned that night.**

Annual SSP Outback Track Licenses for Drivers will be \$50.00 for both the Spring and Summer Seasons. For only one season (either Spring or Summer) the price will be \$30.00. Drivers may purchase an annual license after the season has begun, however if they had already competed in races under a "non-license" status, then the points earned under this "non-license" status will not be credited to them for post season awards.

**Eligibility for Season Ending Awards** - In order to collect the post season awards and honors at the season-ending awards ceremony, the **driver must compete in at least 70% of the events held** on the race schedule (rainouts are not included in the %).

**Awards Ceremonies** – For the driver's eligible for post season awards, each licensed driver plus two crewmembers/parents will be given complimentary pit passes to the event for the ceremony at the Big Track. Participants will have the opportunity to driver their karts/quarter midgets on a parade lap on the Big Track.
