

Dear SSP Push Truck Driver,

The 2010 racing season is just around the corner and it is that time of year again to renew your Susquehanna Speedway Park ("SSP") push truck driver status. **All SSP Push Truck Drivers must fill out a 2010 Application in order to be added to the annual list for any SSP race. Each push truck is permitted one driver and one passenger complimentary (total 2 passes).** This will make the sign in process hassle free for you and your passenger.

*Also, all push trucks are welcome to **any event** at SSP even if there is no division that needs to be "push started." There are times when we need push trucks to help push a stalled car from the speedway.*

Enclosed in this packet is an application and a copy of the Push Truck Rules. If you have any questions, please contact our offices at (717) 292-1696. We appreciate your past support and look forward to working with you at SSP.

Sincerely,

Todd Fisher
Susquehanna Speedway Park
